Kerrville Prepares to Host 6th Annual Triathlon Festival

Kerrville, Texas (September 2, 2016) – Mark your calendars now so you don't miss the chance to get in on the event everyone is talking about! The 6th Annual Kerrville Triathlon Festival will be held the weekend of September 24-25, 2016.

This special event, professionally organized by <u>High Five Events</u> out of Austin, came to Kerrville in 2011 and brings a long course triathlon to the Texas Hill Country. High Five Events, along with Bicycle World, the City of Kerrville, and H-E-B, have come together to host the <u>Kerrville Triathlon Festival</u>. This two day event will consist of eight races, a sports exposition and a free Kids Fun Run. One race, the Half Ironman Triathlon, will feature some of the most scenic cycling available in Texas.

The festival kicks off Saturday, September 24th with a Sprint Distance that is perfect for beginners or experienced athletes. Later that morning, invite a few friends to try out the relay race together. Your kids won't have to miss out on any of the fun of this festival either; they can participate in the free Kids Fun Run following the Sprint races on Saturday.

Sunday is the big day featuring both a Half and Quarter Distance Triathlon in addition to an Aquabike competition. What's an Aquabike you ask? It's a triathlon minus the run.
